

FOR AWNINGS

HEIGHT TO THE LOWEST POINT OF THE AWNING FROM THE SIDEWALK TO THE BOTTOM OF THE AWNING,

HOW WILL THE FRAME BE ATTACHED TO THE BUILDING AND WHAT MATERIAL IS THE FRAME,

DOES THE AWNING HAVE ANY LETTERING ON IT, IF SO HOW MUCH, WHAT SIZE, AND WHAT OTHER SIGNS DOES THE BUILDING HAVE.

LETTER OF APPROVAL FROM THE PROPERTY OWNER.

FOR A SIGN:

What is the sign made of

How will the sign be attached to the building

What is the height of the lowest point of the sign to the sidewalk or ground

What is the highest point of the sign from the sidewalk or ground?

If it is an overhanging sign what is the width of the sidewalk from the front of the store to the curb.

Is the sign lit and if so How.

How many signs are on the building not the store itself but the building.

Letter from property owner giving permission for the sign.
