### **GOALS AND OBJECTIVES OF THE JENKINTOWN POLICE DEPARTMENT FOR 2017**

The Jenkintown Police Department is committed to providing the highest level of law enforcement professional standards and safety to our residents and businesses. As an accredited agency, we are obligated to maintain and show proof of compliance on all law enforcement standards according to Law Enforcement Accreditation Commission.

In 2017, we will continue to improve in all aspects of department operations. We seek any input from the public so that we may better serve the community.

All personnel in the police department have an obligation to contribute in a positive way so that we, as an agency, can continue moving in a forward direction.

We shall be held accountable to the residents, the Mayor and the Board that we will perform our duties in a professional manner and will only perform those duties under absolute color of law.

We thank you for your continued confidence as we move to our next level of Law Enforcement excellence, CALEA.

  
Albert J DiValentino  
Chief of Police
