## MONTGOMERY COUNTY PLANNING COMMISSION (3/2015 – present)

Chairman – Scope of work: As chair of the Planning Commission, I work closely with the executive director and section chiefs to formulate planning policy for the county in support of the objectives of the County Commissioners. I am responsible for setting the boards agenda each month and coordinate the efforts of the board with the day to day work being performed by the Planning Commission staff. I am responsible for appointing members to the county implementation grant program review board and the county transportation grant review board where applications for funding are evaluated and recommendations are made to the County Commissioners. I am also involved in meeting with municipal officials to assist them in their planning needs through defined project planning contracts or community assistant contracts.
